STāSIS Signature Series S4

4.2 (2005–2008)

Touring Edition

A unique blend of power, responsiveness and comfort, the Touring Edition delivers jet-like acceleration and sports car performance. Lowered ride height and wide, multi-spoked forged wheels create a subtle but aggressive stance that echoes the performance available.

Exhaust

- T304 stainless steel
- 2.5" dual cross flow

Suspension

- Lowered stance for better weight transfer
- Increased spring rate for better response
- STāSIS digressive damper valving for factory ride comfort

Wheels and Tires

- 19" x 8.5" lightweight cast aluminum wheels
- High-performance tires

Accessories

- STāSIS Signature Series floor mats

Warranty

- 4-year/50,000-mile warranty*

Challenge Edition

Inspired by the STāSIS World Challenge racecars, the Challenge Edition has the feel of the STāSIS racecars. The Challenge edition adds to the Touring Edition with the brilliant pedal feel of monobloc brake calipers and the added agility of our road-gripping differential.

Engine Tuning Software

- 360 hp, 320 lb-ft

Suspension

- High-performance anti-roll bar kit for added cornering grip

Brakes

- 6-piston Alcon monobloc calipers
- Lightweight 370-mm two-piece floating rotors (390-mm rotors optional)
- High-performance pads
- Stainless steel brake lines

Differential

- Puts power down to the ground for quicker acceleration
- Enables up to 20% more power application to the rear wheel under acceleration

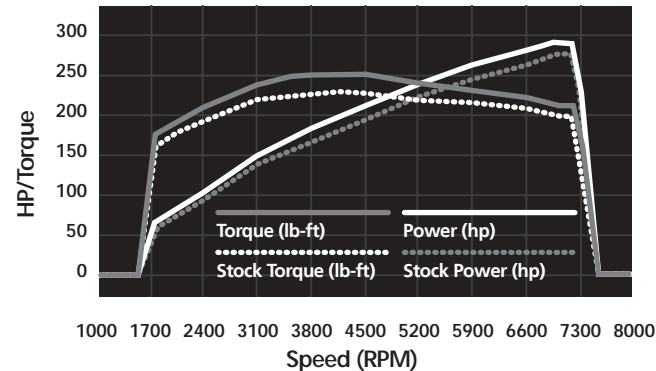

Wheels and Tires

- Ultra-high-performance tires

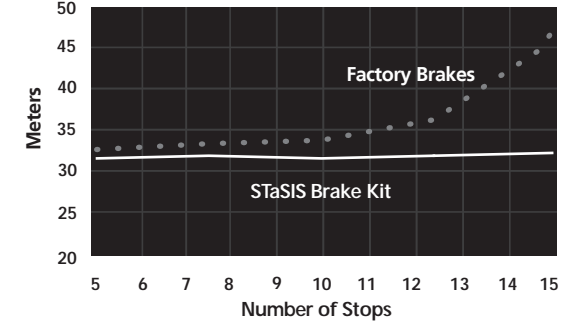

Warranty

- 4-year/50,000-mile warranty*
